You made it through the chaotic first few weeks of school! We've already had Donuts With Grown-Ups, our first Fins Up Friday, Ice Cream Cart, Kona Ice Party, Ice Cream Social & that was just the beginning!

The PFC is a completely parent-led group that organizes and supports various fun events at school. Our primary mission is to provide a connection between the school and our families by instilling a sense of community. A big part of the first month of school is fundraising for the PFC. We start with the Dollar-A-Day during registration. It stands for \$1 for each of the 180 days of school = \$180 recommended donation. We put that money to work benefiting the teachers and staff from the first day of school. For example, we stocked the Sunshine Cart with yummy treats all week in the break room. We continue to fundraise because it takes A LOT of money to create the fun and memorable events.
